FRIDAY P. M. The business of the Board was more than usually exten-

sive to-day, especially in Paterson. Delaware improved ; Mohawk, 1; Stonington, 1; Paterson declined 2 per ct. on the last sale. The sales of State Stacks were not large; Ohio Sixes improved \(\frac{1}{2}\); Kentncky, \(\frac{1}{2}\). Little deing in Foreign Bills. Sterling 53 a 6; Francs,

No activity in Domestic Bills, and no change to note in

There appears to be considerable distrust felt in Wall st of the Northampton Bank at Allentown, Pa., and some of the brokers refuse to buy. The nominal rate for their notes is 25 a 30 discount.

What is the reason that the Western merchants and farm ers do not pay attention to our warnings about doubtful and swindling Bank Bills. A house in this City yesterday received from Michigan upwards of \$300 in small bills of the Monmouth Bank, Freehold, N. J. Such a sum on that Bank we venture to say would be exceedingly difficult to negotiate in this City. TF Farmers, of the West! before you part with your produce for Eastern Bills examine the Bank Note Table contained in the Weekly Tribune, and if you do not find the Bills offered you in that List, it will always be perfectly safe for you to let them alone. Don't trust any Bank Note List or Detectors unless you are acquainted with

By letters from London by the steamer we learn that large amounts of money were seeking investments to an extent never before known. In American Stocks there was little doing excepting considerable sales of Virginia Sixes d24 22*

ISAAC H. BAILEY, Rec. Secretary. little doing excepting considerable sales of Virginia Sixes at 70. Triffing sales have been made of New-York State Stock at 76 per cent; of New-York City Stock at 70: of Massachusetts Sterling at 90, and of Maryland Sterling at 10 called "Grahamism," at the lecture room of the Society Library. Broadway, on the evenings of the 3d, 5th, and 7th Stock at 76 per cent; of New-York City Stock at 70: of 17] per cent, without the July dividend. A parcel of Ohio of January, 1843. Tickets for the lectures, 25 cents. Sixes is effered at 70 per cent, and Louisiana Bonds of the Union Bank in four series at 50 per cent. In other Stocks no change. The result of election in Maryland had tended to impair the Stock of that State.

George Denny, Esq. was on Monday elected President pro tem of the Granite Bank, Boston, vice Joseph Bacon, resigned. Illinois.-The Attorney General has dismissed the pro-

ceeding in the nature of a qui warranto, pending in the Sangamon Circuit Court against the State Bank of Illinois, on the information of J. D. Whitehead, Fund Commissioner of the State. This leaves the Bank free from all legal proceedings, and dependent on the action of the Legislatare for its future existence.

Markets-Carefully reported for The Tribune. FRIDAY, Dec. 23. ASHES-The small stock of Pearls in first hands, less

than one hundred bbls, is still held at \$3 00. The remain der of the stock here is mostly in the hands of one house Pots are firm and within a day or two 180 bbls have been taken at 5 75. 6 00 is generally demanded. We cannot learn that many orders came out by the steamer. COTTON-The activity which prevailed yesterday,

which was in a great degree speculative, appears to have measurably subsided. We cannot hear of over 600 bbls sold to-day; factors are rather pressing lots on the market at current rates, and it appears rather doubtful if the advance of yesterday will be sustained. The Cotton houses have not got all their letters, but they have not appeared disposed to operate to-day. At Mobile 14th, Cotton was low, buyers asking a seduction and holders anxious to sell. Stock very large, 15,000 bales arrived in 5 days. At Columbus prices range from \$4 to 6 for specie funds, At Apalachicola a decline had been submitted to and a fair business doing. Ar-FLOUR AND MEAL-There appears to be a slightly

improved demand to-day for Flour, but no change in prices. The sales are still very limited. We quote as before, Genesce 475 a 4871, Michigan and Onio 475 a 4811; Troy, nominal, 4 874. Some very good Genesee was sold to-day at 4814, and more than that is obtained with difficulty. We know of no New-Orleans offering, and a quotation could not be made. All descriptions of Southern, with the exception of Richmond City and Brandywine, are, nominally, 4 50, although that price cauld not probably be obtained for the lower grades. Richmond City is nominally 5 62], and Brandywise 4 75 a 4 871. There is nothing doing except retail sales in Rye Flour and Meal. There is none of the former affoat—out of store it is selling at 3 12½ a 3 25. Jer sey Meal, 250 a 2621. Brandy wine, bbls., 2621; bhds. 1225 a 12 50. Buckwheat, 275 a \$3 for fair and 3 50 for prime. At Montresl, Canada fine Flour was quoted at 23s. but a large lot could not be sold at that rate. The Wheat shipped from Canada during the fall realized to the shippe only about 2s 91 per 60 lbs., while speculators are paying 3s per 60 lbs. in this country. At Baltimore, Howard-street 4061; 2500 bbis. City Mills sold at 4 121; Susquehannah 4 124. At Alexandria, 3 94 a 3 8/4.

GRAIN-The millers den't seem disposed to meet the views of bolders of the Wheat in market, and we hear of no operations to-day. The demand for shipped is light. No corn offering except Northern, of which small sales have been made of New at 50, and Old at 54 weight, and 58 meas We notice a sale of 1000 bushels Jersey, on private terms. Nothing doing in Rye; the market rate is about 56 a 58 cts. Oats are without change; 30 River, and 30 a 32 Canal. We notice a sale of 2200 bushels Virginia Oats at 22½. At Baltimere, Wheat was scarce. Maryland and Virginia Red, 35 a 90. Maryland Corn, 40 a 41. At Alexandria, supplies of Wheat moderate; good Red 75. At Alton, Wheat was 35

SEEDS-We notice sales of about 150 bbls new Southern Clover at 63a7 and 19 tes on terms not transpired. A few days since 100 tes clean Flax sold at something over \$10 50. Rough is worth 9 a 950, but dull. A lot of Canada is in the OIL-A sale of about 700 bbls Whale has been made to

day on terms not transpired, supposed a small decline on

SUGAR-At auction, to day, Hoffman sold 204 hhds new crop New-Orleans Sugar at 4 121 a 4 371. Some very infeferior brought 3 19. Prime parcels would bring 51 a 51. PROVISIONS .- We hear of no considerable transaction

excepting a sale of 500 pckgs Oklo Butter for export at 62: Butter ranges from 6 a 12c for shipping and Western; Goshen is worth 13 a 16c. Cheese is rather quict.

BRIGHTON MARKE I-Monday, Dec. 19.

At market 500 Beef Cattle, 2500 Sheep, and 175 Swine.

PRICES—BEEF CATTLE.—Last week's prices were fully sustained. We quote a few extra at \$4 75. Farst quality \$4 25 a \$4 50; second quality \$3 50 a \$3 75; third quality \$3 a \$3 50.

SHEEP-Lots were sold from 77 cents to \$1 50. Wethers

from \$1.50 to \$2.50.

Swine-A lot to peddle, selected, 2½c for Sows, and 3½c for Barrows. A lot to close at 2½. At retail from 3 to 4½c.

RELIEF FOR THE SICK,

D' Dr. Rush's Infallible Health Pills .-The great favor which this valuable medicine has gained during the few months it has been made known to the publie, has proved beyond all question its claim to superior efficacy in the alleviation and cure of the numerous complaints which are common to mankind. We assure those who are afflicted that they need but try a single box to be convinced that this is no humbug preparation-even were not the name of the immortal inventor a sufficient guarantee for its genuineness and merit. In all bilious and liver complaints, pleurisy, indigestion or costiveness, hearthurn, piles, headache, erysipelas and other diseases of the skin, debility, all complaints incident to females, the HEALTH PILLS bave never yet failed to effect a cure. We are constantly receiving testimonials of the most extraordinary cures ef fected by this medicine. Read the following

CURE OF LIVER COMPLAINT. NEW-YORK, Nov. 6, 1842.

Mr. H. G. DAGGERS: Sir-Injustice to the efficacacy of Dr. Rush's Infallible Health Pills, one box only of which I purchased from you, I deem it but right to inform you of their surprising effects in restoring me to health. For the last two months I was disabled from my em; loyment, tried numerous advertised remedies, was treated in the General Hospital without any success, and finally adopted Dr. RUSH'S PILLS. Their effect was immediately evident-infusing vigor and health through my frame, relieving a constant pain in my side and deep oppression, promoting sleep, creating an appetite for food, and altogether invigorating a frame that was rapidly sinking into decay. I therefore deem it a duty I owe, not only to the public, but yourself, to publish the above testimony, which I have corroborated with a conscientious affidavit of the truth thereof.
